

19 goals in one action, YOU DECIDE the score!

19 National charities collecting together in Son en Breugel from April 6th to April 19th 2026.

Dear resident of Son and Breugel,

Charities are indispensable for a healthy and happy life for everyone. You are surely willing to contribute something to that. But how? We make it easy for you.

From April 6th to April 19th 2026, 19 national charities will once again be collecting jointly in our municipality. They have joined forces in the Stichting Goede Doelen Week Son en Breugel (Son and Breugel Charity Week Foundation). **This means that only one collector will come to your door!**

You can decide for yourself which cause(s) you wish to donate to. You can indicate this on the enclosed form, where you will also find all further necessary information. This form will be collected from you, or you can hand it in at a supermarket or at the Dommelhuis.

Your contribution will initially be transferred to the bank account of the Stichting Goede Doelen Week Son en Breugel. After the collection weeks have ended, the pledged amounts will be transferred by us to the charities of your choice.

Will you take part? Then please fill in the form. Many thanks!

Yours sincerely, Mieke Dijker, chair Stichting Goede Doelen Week Son en Breugel

Many thanks in advance on behalf of the 19 national charities!

The Stichting Goede Doelen Week Son en Breugel has ANBI status. This means your donation may be tax-deductible when you file your tax return. All participating charities hold the CBF quality mark of the Central Bureau for Fundraising. The Stichting Goede Doelen Week Son en Breugel is also registered with Stichting Donateursbelangen: www.donateursbelangen.nl/goede-doelen-weken

If you work for a company (such as ASML) that offers donation matching, your contribution to this campaign may be doubled or supplemented. Donations to the Stichting Goede Doelen Week Son en Breugel can also be made via Bright Funds.

The organization of the Charity Week is entirely in the hands of volunteers. Production costs are covered by sponsorships and, if necessary, by withholding a small percentage of the proceeds.
